

**PEYMAN PAKZABAN, MD, FAANS  
CURRICULUM VITAE**

**Professional Data and Contact Information**

*Clinical Specialty:* Neurosurgery

*Practice Name:* Peyman Pakzaban, M.D., P.A. (DBA: Houston MicroNeurosurgery)

*Hospital Affiliations:* Bayshore Medical Center  
St. Luke's Patients Medical Center  
Memorial Hermann Southeast Hospital

*Office Location:* 3801 Vista Rd., Suite 440  
Pasadena, Texas 77504

Phone: 713.941.0008  
Fax: 713.941.6262

*E-mail:* [doctor@pakzaban.com](mailto:doctor@pakzaban.com)

*Web Site:* [www.pakzaban.com](http://www.pakzaban.com)

*Clinical Interests:* Spine microsurgery and instrumentation  
Brain and pituitary tumors  
Aneurysms and vascular malformations  
Stereotactic and computer-aided image-guided surgery  
Surgery for trigeminal neuralgia  
Vagus nerve stimulation for epilepsy

*Research Interests:* Minimally invasive spine surgery  
Intraoperative spine localization

*Boards and Licensure:* Board-Certified by the American Board of Neurological Surgery  
Licensed by the Texas Medical Board (License Number: H8305)

## **Education**

### ***Massachusetts General Hospital – Harvard Medical School, Boston, MA***

- 1995-1996: Chief Residency in Neurosurgery, Massachusetts General Hospital  
1990-1995: Residency in Neurosurgery, Massachusetts General Hospital  
1992-1994: Fellowship in Neurobiology, NeuroRegeneration Laboratory,  
Harvard Program in Neuroscience  
1989-1990: Internship in General Surgery, Massachusetts General Hospital

### ***Baylor College of Medicine, Houston, TX***

- 1985 – 1989: Doctor of Medicine with Highest Honors

### ***Massachusetts Institute of Technology, Cambridge, MA***

- 1981-1985: Bachelor of Science, Chemical Engineering  
Bachelor of Science, Biology

## **Honors and Awards**

### *Texas State House of Representatives (2009):*

Honorary Resolution for Invention of Laser-Guided Spine Localizer

### *American Association of Neurological Surgeons (1994):*

Neurosurgery Resident Research Award

### *McLean Hospital / Harvard Medical School (1994):*

Alfred Pope Award for Young Investigators

### *Baylor College of Medicine (1985-1989):*

Graduated with highest honors  
DeBakey Scholar Award for the Highest Level of Academic Achievement  
Stanley W. Olson Award for Academic Excellence  
Alpha Omega Alpha Medical Honor Society  
High Honors on Basic Science Curriculum  
Harris Busch Award in Pharmacology and Therapeutics  
Stuart A. Wallace Award in Pathology  
Awards of Excellence in Neurosurgery, Neurology and Pathophysiology  
Ishiyaku Annual Award, 1987

### *Massachusetts Institute of Technology (1981-1985):*

McCormack Award for Excellence in Undergraduate Research  
Chemical Engineering Outstanding Senior Award

*Portsmouth Abbey Preparatory School (1978-1981):*

Summa Cum Laude  
Rensselaer Polytechnic Institute Mathematics Award  
Francis I. Brady Physics Medal

### **Administrative Positions**

2006-2009: Governing Board Member, Patients Medical Center  
2007-2008: Vice-Chairman, Department of Surgery, Patients Medical Center  
2007-2008: Chairman, O.R. Committee, Bayshore Medical Center  
2008-Present: Chairman, Surgical Services Executive Committee, Bayshore Medical Center  
2008-Present: Member, Medical Executive Committee, Bayshore Medical Center  
2009-2010: Chairman, Department of Surgical Subspecialties, Bayshore Medical Center  
2010-Present: Chairman, Department of Surgery, Bayshore Medical Center

### **Academic Appointments**

1989-1996: Fellow in Surgery, Harvard University

### **Medical Industry Consulting Positions**

2009 – Present: Aesculap Implant Systems, Inc., Training and Development Consulting  
2010 – Present: Aesculap Inc., Neuro Division, Training and Development Consulting  
2010 – Present: Synthes USA Products, LLC., Research and Development Consulting

### **Professional Associations:**

American Association of Neurological Surgeons  
Congress of Neurological Surgeons  
AANS/CNS Joint Section for Cerebrovascular Disease  
American Stroke Association  
North American Spine Society  
Texas Medical Association  
Harris County Medical Society  
American Society for Neural Transplantation  
Alpha Omega Alpha Medical Honor Society

### **Patents and Inventions**

1. Non-Invasive Method and Apparatus to Locate Incision Site for Spinal Surgery – U.S. Patent 7,677,801-B2, granted March 16, 2010.
2. Apparatus and Method for Minimally Invasive Insertion of a Connecting Rod between Pedicle Screws – Provisional U.S. patent application 61119367

3. Guidance Device and Method for Percutaneous Pedicle Localization, Access, and Screw Insertion in Spine Surgery – Provisional U.S. patent application 61173974

### **Publications**

### **Recent Professional Presentations**

1. Chairman and Lecturer, *Strategies for Transitioning to Minimally Invasive Lumbar Fusion*, The Methodist Hospital Research Institute, Houston, TX, April 9, 2011
2. Lecturer, *Mini-Open Transforaminal Lumbar Fusion and Bone Scalpel in Spine Surgery*, Aesculap National Sales Meeting, Bonita Springs, FL, February 24, 2011
3. Lecturer, *New Perspectives on Spine Surgery*, Aesculap Academy Meeting, Miami, FL, November 11, 2010

4. Course Director and Lecturer, *Bone Scalpel Training Workshop*, Baylor College of Medicine, Houston, TX, June 26, 2010
5. Chairman and Lecturer, *Strategies for Transitioning to Minimally Invasive Lumbar Fusion*, Barrow Neurological Institute, Phoenix, AZ, April 10, 2010
6. Lecturer, *Mini-Open Lumbar Fusion*, Aesculap National Sales Meeting, Bonita Springs, FL, February 12, 2010
7. Lecturer, *New Perspectives on Spine Surgery*, Aesculap Academy Meeting, Miami, FL, October 16, 2009
